

ADVERTISEMENT FOR SEALED BIDS

The City of Taylorsville is accepting sealed bids for a Vehicle Radio Transceiver Unit that is compatible with existing Sensus Radio Read equipment. The transceiver unit must have the capability to link and operate simultaneously with existing Sensus Vehicle Transceiver Unit. Both Vehicle Transceiver Units must be able to send data to a receiving laptop computer program and correspond with an existing billing program effectively. Furthermore, the vehicle and meter transceiver units must have a fixed primary frequency and shall be capable to communicate with each other efficiently without frequency interference. Bidder must conduct and provide to the City Of Taylorsville a current frequency interference evaluation. Shop drawings and substantial information must be provided at time of purchase. Selected bidder shall have available (with price quotes) for purchase, corresponding Meter Transceiver Unit in addition to; provide service, technical support and training.

Sealed bids must be submitted to the City Clerk by 12:00 p.m. on Thursday, November 5, 2015, at the City of Taylorsville City Hall, 70 Taylorsville Road, Taylorsville, Kentucky. The sealed bids will be opened at that time and then awarded at a meeting of the City Commission.

For questions or more information contact Harold Compton, Public Works Director, at (502) 477-3235 (ext. 105) between the hours of 8:00 a.m. and 4:00 p.m. Monday – Friday.
